- Give praise to the Lord for so many who continue to give generously for the work of Ariel Ministries USA as well as the work of the Ariel branches, representatives, Shoshanah Campus, and Ariel College of the Bible (Ariel Online Courses).
- Praise the Lord for the interest in Dr. Fruchtenbaum's books at the Pre-Trib Conference in Dallas in December. For some conference attendees, it was the first time to discover his writings.

Prayer Requests

- In January, February, and March, Dr. Fruchtenbaum will be recording the new Isaiah course for Ariel College of the Bible here in the Home Office. Please pray for good filming sessions.
- Pray that we may encourage and minister to people who call or come into the Home Office.
- Please continue to lift up in prayer the Ariel staff members dealing with health concerns and family support efforts.
- Pray for the Lord's provision and joy for the many people who are supporting the ministry and that the Lord would touch additional hearts to partner in the work through their giving and prayers.
- Please continue to pray for wisdom for the five Ariel Board members as they work behind the scenes to provide leadership and direction to the ministry.
- Please continue to pray for the completion of several features for the new website.

◦ Pray for the company that prints Dr. Fruchtenbaum's books—for protection and functioning of the workers and their machinery. The Isaiah commentary has been delayed several times due to COVID, malfunctioning machinery, and transport issues. Please pray that we can distribute the book quickly whenever it does arrive.

Praise Reports

- The work on the Romans commentary is progressing very nicely, and the team is thankful for your prayers.
- While the pandemic is certainly a huge burden for people all over the world, there are a few positive things that the Lord has given us during this time. One of these blessings is the time Dr. Fruchtenbaum has had to continue writing new commentaries. We have also found some very interesting co-authors of future commentaries and are excited that Ariel's Publishing Department will have the opportunity to work on some really interesting and important books in the coming years.

Prayer Requests

- Please pray for the general work of the publishing department and specifically:
 - That the Home Office will be able to efficiently distribute the Isaiah commentary as soon as it is released later this month
 - For widespread reception of the Isaiah commentary
 - For the editing and proofreading of the Romans commentary
 - For the writing and editing of Volume 6 of our Come and See series
 - For the typist who is converting Dr. Fruchtenbaum's partially handwritten drafts of his commentaries into editable Word documents
 - For Dr. Fruchtenbaum's work on the Ezekiel commentary
 - For John Metzger's work on *Ariel's Study Bible*
 - For the magazine
 - For the many translations I am overseeing and taking care of, such as the new translation of *Footsteps* into German, the abridged *Yeshua* book into Gujarati, the Isaiah commentary into German and French, the Genesis commentary into Chinese, etc.

- As ongoing prayer requests, please pray for:
 - The team of peer reviewers, copy editors, and proofreaders without whom nothing would get published
 - The team of translators around the world
 - Our two graphic designers as they seek to provide inspiring artwork for the magazine, books, advertising, and other needs
 - The many authors who are willing to submit articles for the magazine
 - The writers who showed an interest in co-authoring books with Dr. Fruchtenbaum

Joe and Cindy Azevedo

Praise Reports

- We thank the Lord for what He has done through Gary and Melissa Demers at the Shoshanah Campus. At the beginning of January, I took over Gary's role of supervisor and am grateful for the training I have received from him. We pray that the Demers may be blessed with a healthy and joyful retirement.
- My wife Cindy and I are getting more familiar with our new surroundings in upstate New York. We don't have to use our GPS as much when leaving the campus to get supplies.
- Our home by the lake is about 90% complete. We could not start the garage project due to contractor delays. The Lord will work it out in time.
- We have completed a number of maintenance jobs on the campus, especially to prepare for winter. We thank God for good health each day in order to serve Him.
- We also praise God that we were able to complete the plumbing and electrical work in our home; expand the office laundry room; and upgrade the water and electrical systems, as well as piping in the pump house.
- Finally, we praise God for all the work that Shoshanah Campus secretary Becky Reed has been able to do in the office. For example, she updated forms and documents that are important to the success of the summer program.

Prayer Requests

- Please pray:
 - For many to sign up for the 2022 summer program
 - That the Lord would give wisdom to know how to prepare for the summer program
 - That we would be able to find workers
 - For the funds needed to do planned projects
 - For the Lord to bless Arnold and the other teachers with good health and strength

Ariel Canada

Jacques & Sharon

Praise Reports

- We praise the Lord for every opportunity He gives to teach, share, and encourage fellow believers and those who do not yet know the Messiah.
- The new French radio programming is going well and is airing on two stations. Please pray for more and more French people to tune in as many churches in Canada are turning to replacement theology. Please continue to pray for the English broadcasts as well.
- The evangelistic outreaches were very successful this past Hanukkah season, with our Montreal team having given out 60 full sets (Old and New Testaments) to Jewish people, in addition to eleven New Testaments and ten Old Testaments. Countless pamphlets were handed out with many great conversations.
- Our Calgary, Alberta team gave out nine full sets and one New Testament. They, too, had opportunity to speak to many and share the tracts and pamphlets on Hanukkah, anti-Semitism, and Isaiah 53.

Prayer Requests

- Please pray for all those who received the Scriptures and pamphlets and for seeds sown during these moving conversations.
- Please pray for direction in how we should proceed in our outreach during the winter months. (Should we continue staying in parking lots or go back to apartment buildings?)
- Please continue to pray for time management for the many things to be done so that the Word of God would pierce through to the heart of the Jewish community here and elsewhere.

Ariel Canada

Jackie Fierman

Praise Reports

- Praise the Lord for the times I have been able to teach online.
- Thank God for good health, safety, and financial support throughout 2021. Thank you for your partnership in praying throughout the year.
- It has been very exciting to see and participate in the Lord's work through the evangelism outreach twice a week. We have had some clearly appointed times to interact with the Jewish community here and have given out much evangelistic literature.

Prayer Requests

- I will be traveling to Quebec City in late January to teach for only the second time in nearly two years. May the Lord grant more opportunities, especially to travel. There are many restrictions on travel in Canada, and it's not clear it would be wise to do so even without them, as I have heard that many church groups are far from having the attendance like they had before COVID. Many women's studies are still not meeting. I have missed being able to teach more often.
- May the teaching I am privileged to share accomplish all that the Lord desires.
- May the Lord continue to lead our evangelism team in 2022.
- Please pray for continued good health, safety, and financial support as we begin 2022.
- Please pray for the salvation of my siblings, nieces, nephews, and extended family. My siblings are in declining health.

Ariel India
Ahmedabad, India
Bakul Christian

Praise Reports

◦ As we all know, the whole world has gone through very tough times due to the pandemic. The second wave has hit India hard, and because of COVID, the people of our country have experienced hardships in all areas of life, including their walk with the Lord. It is therefore no surprise that the work of Ariel India has also been hindered by lockdowns, etc. In April, my wife Jenet tested COVID positive and was subsequently hospitalized. It took roughly four months for all symptoms to subside. Praise God that she is healthy now.

◦ During this tough time, we also experienced God's grace. He has provided for us in wonderful ways. Some of the financial support we received allowed us to reach our neighbors and other believers who were in need. We praise God for these opportunities to share His love with others!

◦ As of this writing, the year 2021 is coming to a close, and as we look back, there were many discouraging things. However, over and over again, God has shown us that He is taking care of us and that He is with us. Therefore, we praise Him:

- That I have been able to teach three groups of believers despite the pandemic
- That I was able—and am still able—to teach my nephew and his family in Australia (Canberra) via the Internet
- That I have the opportunity to regularly teach the teenagers in my church
- That I am able to regularly teach a Christian Youth Club in my city
- That we were able to publish the Gujarati translation of *The Footsteps of the Messiah*
- That those who have read the book already have given us very enthusiastic feedback

Prayer Requests

- Please pray for the translation of *Yeshua – The Life of Messiah from a Messianic Jewish Perspective* and of *HaMashiach – The Messiah of the Hebrew Scriptures*.
- Please pray for more teaching opportunities in Gujarat churches.
- Please pray for our daughter Selena, who just got married.
- Please pray for the health of my wife, Jenet.
- Please pray for my health, as I am still dealing with some lung issues that sometimes bother me a lot.
- We are very grateful for your prayers and support in 2021. We need your prayers in 2022 as well.

Ariel Israel

Sasha & Lilian G.

Praise Reports

- This month we celebrated the tenth anniversary since the start of the Or-Hasharon Messianic congregation!
- Three young people from our congregation have come to saving faith and were immersed in the Lord's name.
- A young Messianic couple is going to be married after going through a pre-marriage counseling course with us.

Prayer Requests

- The Ariel Israel website in Russian is going through some final editing. Within a couple of weeks, we believe that we will see it online. Please pray that the Lord will allow it to happen.
- We ask you to pray that this website will be a powerful tool in proclaiming the gospel and also a solid biblical resource for the spiritual growth of the Russian-speaking Jewish and non-Jewish communities worldwide.
- Please keep praying for our social media team and the designer of Ariel Israel's website in the Hebrew language: for wisdom, creativity, and protection from all kinds of evil.
- Pray with us for those who visit the website, that unbelieving people will be touched by the light of the gospel, and that those who already believe will grow deeper in their knowledge of God's Word and their walk with the Lord.
- Please keep praying for wisdom in our counseling ministry.
- We are about to start a series of meetings for the parents of young children within our local congregation. Pray for us as we are forming the group and preparing the content of these meetings.

- We are looking for a permanent place to rent or buy. We ask for wisdom, a good deal, and a good landlord.
- Last but not least, please pray for a residential place and center for day activities for people with special needs aged 21 and older who have no place to further flourish and develop, bless, and be blessed. There are very few options for these people, and the options that are available are usually run as private businesses and are therefore very expensive. There is not a single Messianic care facility in the entire country.
- Since August 2021, we have worked hard on establishing such a place. The first inquiries that were sent through the leaders and elders of Messianic congregations and ministries indicate that the need is real and much bigger than we thought. We had to hire an administrative assistant to help us build this project. We found a highly gifted project manager, but we have no funds to pay him even a half-time salary.
- We approached 22 very solid, mature, and trustworthy pastors and leaders of Messianic ministries (Jews for Jesus, Chosen People, Joshua Fund, and so on) in order to work together on this project. We all agree that people with special needs are at the center of God's heart. We want to see congregations and ministries working hand in hand to minister to them. We want to see young Messianic believers share their house, heart, and time with them. We want to see a vibrant, living testimony of God's love and unity.
- So many people are excited and want to serve with us. Sometimes, the amount of work is overwhelming, so we need faith and patience to see what the Lord will do. Please pray with us for this project. If you want to participate in any way, please ask for more information and we will provide it!

- We thank our Father for giving us the chance to teach the seven holy feasts of Israel, plus Hanukkah, via Zoom. Believers from two churches attended these meetings, and we had many guests from various parts of Italy. The feedback is encouraging, and we are glad to observe that many young adults want to grow in their faith.
- We praise the Lord for the opportunity He gave us to share the good news with two Israelis who live in Italy.

Prayer Requests

- Please pray:
 - For the hearts of Amos and Rachel (names changed)—that they may find their Messiah and Savior
 - For our social media team, as many team members are facing serious health problems
 - For the translation and dubbing of the teaching sessions of the conferences recorded by Dr. Fruchtenbaum and Mottel Baleston
 - For our translation projects All Ariel manuscripts about the feasts have been translated and now need to be edited and published.
 - For Martina, who has been invited by a web TV station dedicated to women to share her testimony and involvement in Jewish ministry
 - That the Lord may bless the preparations for this event, which will take place in March

Ariel New Zealand

Johan van Vuuran

Praise Reports

- Praise God for all He has done and provided for Ariel NZ.
- Praise the Lord with us for the study groups using Ariel material in different areas of New Zealand. Praise the Lord for lives impacted as people come to a proper understanding of God's Word and grow in their knowledge.
- Praise God for the love and encouragement from our families.

Prayer Requests

- Please continue to pray that the Lord will add to the number of people who attend the study groups. Continue to pray that the growth will be such that leaders will emerge from these groups who will be able to start their own study groups.
- Also pray that people use what they are learning in their sphere of influence.
- Please pray for the Board of Ariel New Zealand. Pray for humbleness and wisdom for the work that we do in New Zealand promoting Ariel material.
- We are finally seeing the lockdowns ease in Auckland. Please pray that we do not see a spike again in COVID cases. There are a lot of people who are struggling financially, and many businesses have had to close their doors permanently. Please pray as the situation with the pandemic gives us an opportunity to witness and disciple people. We are also seeing that there are opposite opinions amongst believers regarding the vaccine. Please pray that this will not cause division, but that we keep our focus on the Messiah and His calling for our lives.
- Please pray that I can keep up with the preparation for these studies.

- Please pray for the opportunity to speak in churches and to promote Ariel Ministries as we open up and will be able to start traveling again.
- Please pray for the weekend seminar that we are planning at the beginning of February in Auckland; that it will be able to go ahead and that many will attend.
- Also, pray for us as we are once again planning to be at a Christian music festival. This gives us the opportunity to speak to many young people. Please pray that they will be interested in studying God's word from a Messianic Jewish perspective.
- We are experiencing major supply line issues in New Zealand and are therefore struggling to get inventory from the U.S. The books that I ordered have finally left Los Angeles and should be available in January.

Gefen International
Israeli Network

Praise Reports

- We praise the Lord for the fact that inbound Israeli travelers will be allowed to enter Australia again, as it opened its air border in December. Also, we understand that New Zealand will be open to inbound international travelers in the early part of 2022.

- We thank the Lord for the continued use of our network by Israelis, even in countries that closed the air borders early on. These Israelis were already “in country” as long-term travelers, students, and residents.
- We thank God for all of the opportunities we and our network hosts have had this season to share the gospel and the love of Messiah Yeshua.

Prayer Requests

- Please pray:
 - For more Israelis to come to a saving faith in Yeshua
