## Praise Reports

- We are praising the Lord for the effective work of the proofreading team! The Romans commentary is finished. I have received only positive feedback from the team regarding this work. One proofer wrote: “Another pristine commentary!!!!!!” The number of exclamation points says it all. The Romans commentary is fantastic! At the time of the writing of this prayer guide, the finalized book was in the hands of Dr. Fruchtenbaum. Once he is done reviewing it one last time, it will go off to the printers.
- Ariel’s Publishing Department is being supported in great parts by generous donations from faithful believers. We are praising the Lord for their support!
- The faithfulness and stamina of the entire publishing team (including the graphic designers, the copyeditors, proofreaders, and translators) are a blessing, and we are so grateful for your prayer support!

## Prayer Requests

- Please pray for timely and quality completion of printing and shipping of the titles that are printed for the first time and a number of titles that have to be reprinted. Because of paper shortages at the company that normally does printing for Ariel Publishing, we have had to place orders with overseas printers.
- Please pray for the general work of the publishing department and specifically for:
  - The editing of the Jeremiah/Lamentations commentary
  - The proofreading of Volume 6 of Come and See
  - The team that proofreads the Jeremiah/Lamentations commentary
  - The authors and the graphic design team of the magazine
  - The health and wellbeing of the entire publishing team, including all translators (please pray especially for our eyes)

- Dr. Fruchtenbaum's work on the Ezekiel commentary
- The many translators around the world

## Praise Reports

◦ The new French radio programming is going well. We have heard back from francophones who are blessed that dispensational teaching is aired on these French stations. One caller, a French speaker who knew of his Jewish roots, grew up as a Catholic. He was so excited to connect with us since no one from his family is willing to acknowledge this Jewish ancestry. He even learned to read and understand Hebrew within one year, this having been done on his own studying of the *Tanakh*.

◦ The evangelistic outreaches in Montreal and Calgary are experiencing amazing results. Just last week, the team gave out 100 pamphlets on Passover along with four sets of Scripture and had many conversations. And this was just one of many outreaches! Thank You, Lord, for the openness we are seeing among Jewish people to converse and consider.

## Prayer Requests

- Please pray for more and more French people to tune into our radio programming.
- Please continue to pray for all those who received the Scriptures and pamphlets.
- Please pray for protection for those who faithfully serve at the congregation.
- Please continue to pray for time management for the many things to be done so that the Word of God would pierce through to the heart of the Jewish community here and elsewhere.

## Praise Reports

- Praise the Lord for opportunities to speak out-of-town three weekends in a row in April. It was the first time in over two years, and it felt so good to be on the road again. One of the churches was new to Ariel, so it was great to see people connect with our translated materials for the first time. I have already been invited to return.
- It was tremendous to rejoin the evangelism team's outreaches in person again in April. At the Passover season, we gave away many tracts and sets of Scriptures. I hope to regularly go a couple times per week.
- My little finger and knee are gradually healing up as I work out every other day and do the needed exercises. Praise God for the financial provision to pay for the physical therapy.

## Prayer Requests

- Please pray for more and more speaking occasions as Quebec opens up. I look forward to when I can travel out of province as well, but might focus on the fall for New Brunswick and/or Western Canada.
- Continue to lift up the evangelistic outreaches in Montreal and with other people I encounter as the weather has finally warmed up, making it easier to have longer conversations outside.
- Please pray for the salvation of my siblings, nieces, nephews, and extended family. My three siblings are all in declining health. It is more than time for them to consider end-of-life questions.
- I am not sure about my summer plans and am seeking the Lord's direction about a trip to the U.S., depending on border requirements.

- Please pray for more volunteers to join the Ariel China team in order to prepare more material from a Jewish perspective, especially for the translation of the commentaries.
- Please pray for wisdom and strength to spread Ariel's teaching and materials. May more Chinese-speaking believers know the Scriptures and love God more deeply!

- Pray for the church ministries in Mainland China, especially during the recent serious pandemic situation.
- Please pray for the Lord's guidance of our daughter's future.

- We praise the Lord for Katie, who recently came to faith and is such an encouragement to us with her simple, child-like trust in the Lord.
- We also praise Him for some good ministry opportunities during the spring and for Philip, a volunteer, who may be able to assist us in our video work.

## Prayer Requests

- Please pray for the different translation teams who are working on projects such as the translation of the Isaiah commentary by Dr. Fruchtenbaum. Pray for health, strength, and protection from the enemy.
- Please pray for God's guidance and provision during the coming months as we take definite steps to purchase the ministry building.
- Pray for the growth of our newly started Bible study in our home.
- Pray for wisdom from God to use the evangelistic opportunities we have with Jewish Ukrainian refugees.

## Praise Reports

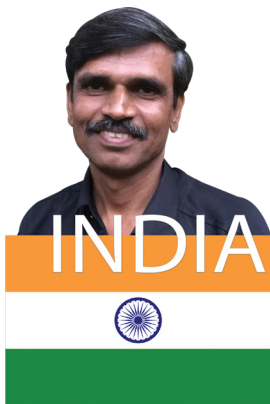

- Five days after the war started in Ukraine at the end of February, when sanctions were made against Russia, our bank of 20 years went bankrupt in one day. We did not have any chance to withdraw or wire money from our accounts. The bankruptcy affected our personal account as well as the account of the Hungarian Ariel branch. We had to move very quickly to open a new account. Because of a certain insurance law in Hungary, we were able to get the money back after a lot of administrative work. Support also came from Ariel US and other donors. We are very thankful for this.
- We praise the Lord that our Messianic fellowship began meeting in person again at our Jewish friend's place and that we were able to celebrate Pesach there.

## Prayer Requests

- Please pray for peace in our region (Ukraine is our neighboring country).
- Pray for the safety of many thousands of refugees from Ukraine.
- Pray for our fellowship meetings and for those who attend them. Some of our members are experiencing hardships.
- Please pray for further protection and health in the present pandemic situation.
- Pray that Dr. Fruchtenbaum's video about the gospel may reach many.
- Pray for the preparation of the sixth conference with Dr. Fruchtenbaum in October 2022. One of the things we need is a good conference venue.
- Please continue to pray for the salvation of a Jewish Holocaust survivor who has been attending our online fellowship. Pray for Rita as she visits this lady regularly. They are having great conversations about the Messiah.

- Please continue to pray for the salvation of a Also pray for M, another Holocaust survivor, who has Parkinson's disease. Rita has been visiting her. Please pray for additional opportunities to talk about the Messiah.
- While you are praying for Rita and her ministry to these women, please pray for her Hebrew studies.
- Continue to pray for the sister in our fellowship who regularly visits Holocaust survivors.
- As always, pray for finances to continue the work in Hungary and against anti-Semitism in our nation. In this context, pray for Ivan as he works full time, that he would have the energy to prepare the Bible teachings.
- Pray for further study in counseling as there is a great need for this.
- As always, pray for our health and the health of our loved ones as well as for our daughter as she finishes her studies at university.

## Praise Reports

- We thank our Lord for He has provided us with additional funds to continue the promotion of the Ariel-Israel website in the Russian language.
- We praise our Lord that the Ariel-Israel website in Russian has reached 5,625 page-views from January to April. 56.58% of these views were from Ukraine. The most visited PDF was “The Deity of the Messiah.”
- The long-awaited positive answer to our prayers has arrived. We have received a donation that will allow us to come back to our translation of the “Come and See” discipleship program both in Hebrew and Russian (about five additional lessons in each language).

## Prayer Requests

- Last month, there were four terror attacks in various cities of Israel. Fourteen people have been killed. We ask you to pray for the families of those who lost their loved ones and for God’s mercy and protection of His nation.
- Please pray for our relatives in Russia (Moscow). Lilian’s two cousins live there. They don’t agree with and don’t support the war. They both are originally from Ukraine. We can’t imagine that their sons will be taken to the army forcefully, as they cannot and do not want to fight against the people of their motherland.
- Pray for our family in Ukraine. Lillian’s uncle and her other cousin’s family live in Donbas. They cannot flee to Israel, to Ukraine, or to Russia. We are in touch with them on a daily basis. They ask for our prayers and say that it feels to them that our prayers protect them as an iron dome. We hope they will turn to the Lord and will get to know their Messiah.

- Keep on praying for our social media team and designers of Ariel-Israel websites in Hebrew and Russian. Pray for wisdom, creativity, and protection from all kinds of evil.
- Pray for our translators and proofreaders as they are starting their work translating additional manuscripts of the “Come and See” program. Pray that they would do their work highly professionally and as fast as they can.
- Most importantly, pray with us for those who visit the two websites of Ariel-Israel, that unbelieving people will be touched by the light of the gospel and that those who already believe will grow deeper in their knowledge of God’s Word and their walk with the Lord.
- Furthermore, pray for wisdom in our marriage counseling ministry.
- We are preparing to move on to the next step in implementing the vision of providing a Messianic facility for people with special needs. We intend to open an NPO, build a work plan, and start raising significant funds for the realization of the project. We understand that the fulfillment of our vision, a completed housing and employment support system, will take time due to the need to raise significant funding. This is an ambitious but blessed vision, seeking to provide the Messianic community in the Land of Israel with a framework that can take care for the special people that God created as part of His body. Please pray with us to see God’s blessings, guidance, and provision. Also pray for strength, faith, funds, and the right people to serve with us, hand-to-hand. If you have any ideas of how to help us establish this project, please don’t hesitate to get in touch with us or to connect us with those you think might be able to help.

## Praise Reports

- We praise the Lord for the great feedback we received after the online conferences were aired. The videos Dr. Fruchtenbaum and Mottel Baleston recorded were dubbed and subtitled in Italian. They have reached thousands of people. We praise the Lord for what He is doing in our country and for helping us to understand how to share Ariel Ministries' teachings in a more direct way with our people.
- We praise the Lord because after the conferences were aired, we received many orders for Footsteps of the Messiah translated in Italian.
- We praise the Lord for the opportunity Martina had to share the Word through an online broadcast dedicated to women's ministry. She had the chance to present Ariel Italia and to explain why it is so important to learn how to share the Gospel with the Jewish people. Those who hosted the broadcast were so happy with Martina's presentation that they asked her to be their guest again in the near future.

## Prayer Requests

- Please pray for the organization of the third tour in Italy with Dr. Fruchtenbaum in the fall. May the Lord give us wisdom in all the decisions to be made.

- Pray for our move back to Tuscany in June. May the Lord give us wisdom and strength in everything.
- Continue to pray for all the translation and revision projects and for the necessary funds to support the tour, the printing of the new books, and the production of more dubbed videos.

## Praise Reports

- We are thankful to God for all that He is doing through us in His ministry in Liberia, West Africa. We are also grateful to Him for the prayers and support of all of you who are standing with us in the ministry. The Lord had done such great works that the words of our mouths are inadequate to express our thanks and appreciation.
- We are praising God for the opportunity to implement the ministry plan for 2022. Our church held her annual missions conference that brought fifty-one churches together from different denominations. We taught on the eight mysteries of the New Testament. We were also invited by Christian Light Organization (CLO) to serve as key speakers of their annual conference in some rural area in Liberia. We taught on the mystery of the church, the Great Commission, the transfiguration, and the imprisonment of Paul and Silas in Philippi using the theme: “Believe in the Lord Jesus and you shall be saved.” So many people gave their lives to Yeshua.

## Prayer Requests

- We organized and hosted a youth conference for more than 150 young men and women and taught them the Word of God from a Messianic Jewish perspective. Please pray for these young people and ask the Lord to grow the seeds that were sown in their lives.
- CLO has asked us to start a Messianic Jewish Studies training with them in their community. They are going to invite pastors, church workers, and other believers to be a part of the training. We need your prayers for this ministry to CLO.
- Please pray as we prepare and build a new training center to resume our organic agriculture training classes that we suspended because of the relocation of the training center.

- Pray with us as we continue our Messianic Jewish studies with pastors and church leaders.
- We also maintain our plan to conduct three-day seminars in rural counties. We plan to visit at least two counties this year and will need your prayer for this.
- Shirley is praying to train young women and teenagers in tie-and-dye and soap-making to give them some skills.
- Pray with us that it will be possible for us to attend Ariel's School of Messianic Jewish Studies at the Shoshanah Campus next summer to complete our five-year course. People are willing to sponsor us, but COVID restrictions still make it difficult to travel.

- Please pray for the Board of Ariel New Zealand. Pray for humbleness and wisdom for the work that we do in New Zealand of promoting Ariel material.
- Praise God that our borders are opening and that there will be again Israeli backpackers visiting New Zealand. Please pray that they would hear the gospel while travelling through our beautiful country.
- That also means that Dr. Fruchtenbaum and Mottel Baleston can visit in 2023. We are looking at dates in November. Please pray that the visit will go ahead.
